

JASPHIN VIJAY J

Java Full-Stack Developer

Chennai | 7339372547 | jasphinvijayj@gmail.com | LinkedIn | Github | Portfolio

SUMMARY

Dedicated Java Full-Stack Developer with 6 months of hands-on training and project experience at Besant Technologies. Proficient in Java, Spring Boot, SQL, and front-end technologies (HTML, CSS, JavaScript, ReactJS). Skilled in building dynamic web applications, integrating RESTful APIs, and managing databases. A collaborative team player with exposure to end-to-end software development.

TRAINING

Java Full-Stack Developer | Besant Technologies, Velachery, Chennai

OCT 2024 - MAR 2025

- Completed 6 months of training in Java, Spring Boot, MySQL, HTML, CSS, JavaScript, and React.
- Developed backend applications using RESTful APIs and MySQL, and frontend projects with responsive UI design.

TECHNICAL SKILLS

- Backend:** Java, Spring Boot, JDBC, Servlets, JSP, CRUD Operations
- Frontend:** HTML5, CSS3, Basic JavaScript, React
- Database:** MySQL, SQL (Joins, Sub Queries, Constraints)
- Tools:** Eclipse, VS Code, Spring Tool Suite, MySQL Workbench, Postman, Git

PROJECTS

1) Online Banking System (Java, Spring Boot, MySQL, REST API, Postman)

- Built RESTful APIs for user registration, account detail retrieval, and account deletion, with secure operations for deposits, withdrawals, and fund transfers.
- Developed a transaction history module for financial tracking and ensured robust backend integration with Postman for API testing.

2) Student Record Management System (Java, Servlets, JSP, SQL, MySQL, JDBC, HTML5, CSS3)

- Developed a CRUD-based system for user registration, student listing, search by Roll No, update, and delete operations using JDBC for secure database handling.
- Designed a responsive UI with HTML5 and CSS3, and deployed the application on Apache Tomcat for efficient server-side processing.

3) Pet Adoption Website - "Adopt & Love" (HTML, CSS, JavaScript, Responsive Design)

- Built a fully responsive pet adoption website with interactive UI, multi-page structure, and user-friendly forms using HTML, CSS, and JavaScript.
- Implemented responsive design with media queries to ensure optimal display across all device sizes, along with interactive forms for adoption requests.

EDUCATION

Bachelor of Technology in Information Technology

Agni College of Technology, 2020 - 2024

CGPA: 7.8

Higher Secondary Certificate (HSC)

Oxford Matric Hr. Sec. School, 2019 - 2020

Percentage: 57%

Secondary School Leaving Certificate (SSLC)

Bethlehem Matric Hr. Sec. School, 2017 - 2018

Percentage: 66%
